

THAT'S HOW I SCROLL

FADE IN:

EXT. HIGH SCHOOL - DAY

Two high school students, KYLIE and LUCY, sit outside scrolling on their phones.

KYLIE

You know what's crazy?

LUCY

What?

KYLIE

Unbridled consumerism. We're constantly bombarded with ads and testimonials from influencers telling us how to be happy.

LUCY

(continuing to scroll)

Yep. It's pretty overwhelming.

KYLIE

And don't get me started on social media. We're so obsessed with our phones, scrolling through endless feeds of meaningless content.

LUCY

(looking up from the phone)

I know, right? It's like we're addicted or something.

KYLIE

We can't escape it. Trying to fit in, trying to keep up with the latest trends...it's like some kind of mad electronic treadmill.

LUCY

A vicious cycle.

KYLIE

Kind of ironic, isn't it?

LUCY

What?

KYLIE

Sitting here, complaining about social media while looking at social media.

LUCY

Maybe we should just throw our phones away.

KYLIE

Yeah...go live in the woods like...Henry David Thoreau.

LUCY

Who was he?

KYLIE

Some guy...with a beard...

LUCY

Is the beard mandatory?

KYLIE

(sighs)

Hope not.

They both continue staring at their phones and scrolling.

FADE OUT.
